

Pre-Algebra

How To Use Your 5D DVD:

1. Place the DVD disk into the player. After a brief intro, the main menu will appear on the screen.
2. Use the UP and DOWN arrows to move among the menu choices. Press ENTER to select.
3. During the program, press MENU to return to the main menu. Access Pre-Algebra's special features, including Helpful Info and the Final Exam from the main menu.
4. During the program, press the NEXT and PREV buttons to skip through major sections of the program based on the outline below.

LESSON INDEX

- | | |
|--|---|
| <p>I. Integer Exponents</p> <p>A. What is an Integer Exponent?</p> <ol style="list-style-type: none"> i. definitions ii. examples <p>B. Rules of Exponents</p> <ol style="list-style-type: none"> i. multiplying two numbers with same exponent ii. dividing two numbers with same exponent iii. exponential term raised to a power iv. multiplying numbers with common bases each raised to a power v. dividing numbers with common bases each raised to a power <p>REVIEW
QUIZ 1</p> <p>II. Prime Factorization</p> <p>A. Factoring</p> <ol style="list-style-type: none"> i. Definitions ii. Listing method of Factoring iii. The Sieve of Eratosthenes <p>B. Tree Diagrams and Prime Factorization</p> <p>C. The Greatest Common Factor</p> <p>D. The Least Common Multiple</p> <p>REVIEW
QUIZ 2</p> | <p>III. Roots</p> <p>A. Absolute Value</p> <p>B. Squares and Square Roots</p> <ol style="list-style-type: none"> i. Perfect Squares ii. Negative Square Roots <p>C. Higher Roots</p> <ol style="list-style-type: none"> i. Cube Roots ii. Undefined Roots iii. Fourth Roots and More <p>REVIEW
QUIZ 3</p> <p>IV. Expressing Roots with Fractional Exponents</p> <p>A. Fractional Exponents</p> <ol style="list-style-type: none"> i. Definitions ii. Examples <p>REVIEW</p> <p>V. Inequalities</p> <p>A. Numbers and Numberlines</p> <ol style="list-style-type: none"> i. Rational and Irrational Numbers <p>B. Putting Inequalities on the Numberline</p> <ol style="list-style-type: none"> i. Inequality Symbols ii. Intervals and Interval Notation <p>REVIEW
QUIZ 4</p> |
